Greetings from the City of Brevard!

If you are receiving this letter, you are either located in, or proximate to, the City's Special Flood Hazard Area as denoted on the Department of Homeland Security / Federal Emergency Management Agency Flood Insurance Rate Map(s).

This outreach is a requirement of the City's voluntary participation in the Community Rating System, a supporting initiative of the National Flood Insurance Program.

The goals of the National Flood Insurance Program (NFIP) are to provide flood insurance to property owners, to encourage flood loss reduction activities by communities, and to save taxpayers' money. The CRS is a part of the NFIP and provides both incentives and tools to further these goals.

The goals of the CRS are to recognize, encourage, and reward, by the use of flood insurance premium adjustments, community and state activities beyond the minimum required by the NFIP that:

- Reduce flood damage to insurable property,
- Strengthen and support the insurance aspects of the NFIP
- Encourage a comprehensive approach to floodplain management.

Enclosed is a brochure that provides information as to flood awareness and provides contact information for a number of different agencies.

Sincerely,

Brad L. Burton CFM, CZO
Assistant Planning Director and Floodplain Administrator, City of Brevard
