I understand that the City of Brevard is installing sub-grade dumpsters for use by the residents and merchants place their trash, solid waste, and recycling on block of Jordan St. (located between Broad St. and Caldwell St.). As part of this Pilot Program, the City Public Works Department will no longer collect waste from other containers placed along Jordan Street.

I understand that access to the dumpsters will be restricted and will require an access code. Any changes to the code, or updates about the program, will be sent to me using the contact information listed above.

I understand that the City and Heart of Brevard will monitor use of the site for a period of one year starting on December 1, 2021 and ending on November 30, 2021. After that period and time to evaluate the program, the City will decide on whether to continue or discontinue the program.

If I am a property owner, I agree to inform new tenants about the program to the best of my ability, and direct them to learn more and sign this agreement at <https://www.cityofbrevard.com/jordanstreet>.

If I am a business owner, I agree to inform my employees about the program to the best of my ability, and direct them to learn more at <https://www.cityofbrevard.com/jordanstreet>.
